<b>SESSION OPEN</b>	<b>01 September 2016</b>  The August 2016 meeting of the Advisory Board is now hereby adjourned. This note hereby convenes the September 2016 meeting of the Advisory Board. We will now begin the opening matters that must be taken care of for the new term and this month. We have numerous items to accomplish, so please try to respond to posts that require your response so we can hopefully move through these opening items as quickly and efficiently as possible. <b>Updated Advisory Board Page</b>	<b>01 September 2016</b>  I have asked Jeff to update the Advisory Board. Please check this information and let me know if I have misstated anyone's term. If your information is not changing, or just your term is changing, please see that information on the Advisory Board link below. Please also check to determine if we have the correct email address for you.  NOTE: I did notice that Jo Branch's term is incorrect and have asked Jeff to correct the year to 2018 as she was re-elected in this most recent election so her term is now extended. Sorry for that error, Jo.  <a href="http://www.usgenweb.org/about/advisoryboard.shtml">http://www.usgenweb.org/about/advisoryboard.shtml</a>
